Discuss improving Little League field

• Plans being made to pave Main St.

By BEVERLY CARY

Among the topics discussed as the committees of the Antioch village board met Monday evening was the development of Williams Park.

This was discussed in length by parks and recreation coordinator Sue Koppa. She said that the park board is recommending moving the fence and light poles, thus enlarging the Little League field to regulation size.

The field would be resodded and the dugouts removed. The park commission would pay for half of the cost, not to exceed \$2,000. She urged the board to generate the interest needed in helping the Little League maintain the field and facilities.

THERE REMAINS \$17,000 to be spend for the improvement of Williams Park. Superintendent of public works Walt Shepard and trustee Don Amundsen agreed that plans and specifications for the improvements be drawn up no later than March or April since the money must be used or allocated by August of 1979.

Shepard said that removal of the concrete at the old Standard Oil building is necessary to accommodate additional parking space.

Amundsen suggested that the board submit a requisition for \$10,000 of the available funds.

MAYOR MICHAEL HALEY said that

money is available for an expanded senior citizen's center.

Mrs. Koppa said the village has the funds and would like to see a five-day meal program available to the seniors.

Plans are being made to pave highway 83 (Antioch's Main Street) from North Ave. south to route 173. The work should begin in April of 1979. The federal government will pay 80 percent of the cost.

Shepard stressed the need to upgrade the traffic signals at Lake and Main streets, and also suggested that the "walk" sign be changed from the present "scramble" or button-pushing, system.

THE VILLAGE BOARD is giving Murrill Cunningham the go-ahead, issuing a building permit to start construction on the first of three proposed apartment buildings.

Mayor Haley read the agreement of Cunningham to comply with all village ordinances. Amundsen made the point that Cunningham should be required to supply a temporary water retention program to take care of the first unit, prior to issuance of an occupancy permit. All members of the board verbally agreed to the suggestion.

Police chief Chuck Miller said, "If nothing drastic comes up, such as strikes or a full-scale investigation, the police department budget should end the year in the black."

Sawmill park damage being investigated

The Antioch Police Department is looking for information on what appears to be a second case of vandalism at the community's bicentennial saw-

mill park.

Officer William Kukla, on patrol Sunday morning, noticed that a portion of the fence surrounding the park had been broken down. The

damage appeared to be deliberate, police said.

The destruction of the fence apparently took place Saturday night and police are asking any possible witnesses to contact them.

After previous damage to the sawmill park late in the summer the vandals were caught following investigation by the police department.

License plates go on sale here Friday

The State Bank of Antioch is an authorized agent in the selling of the new multi-year Illinois passenger-car license plates.

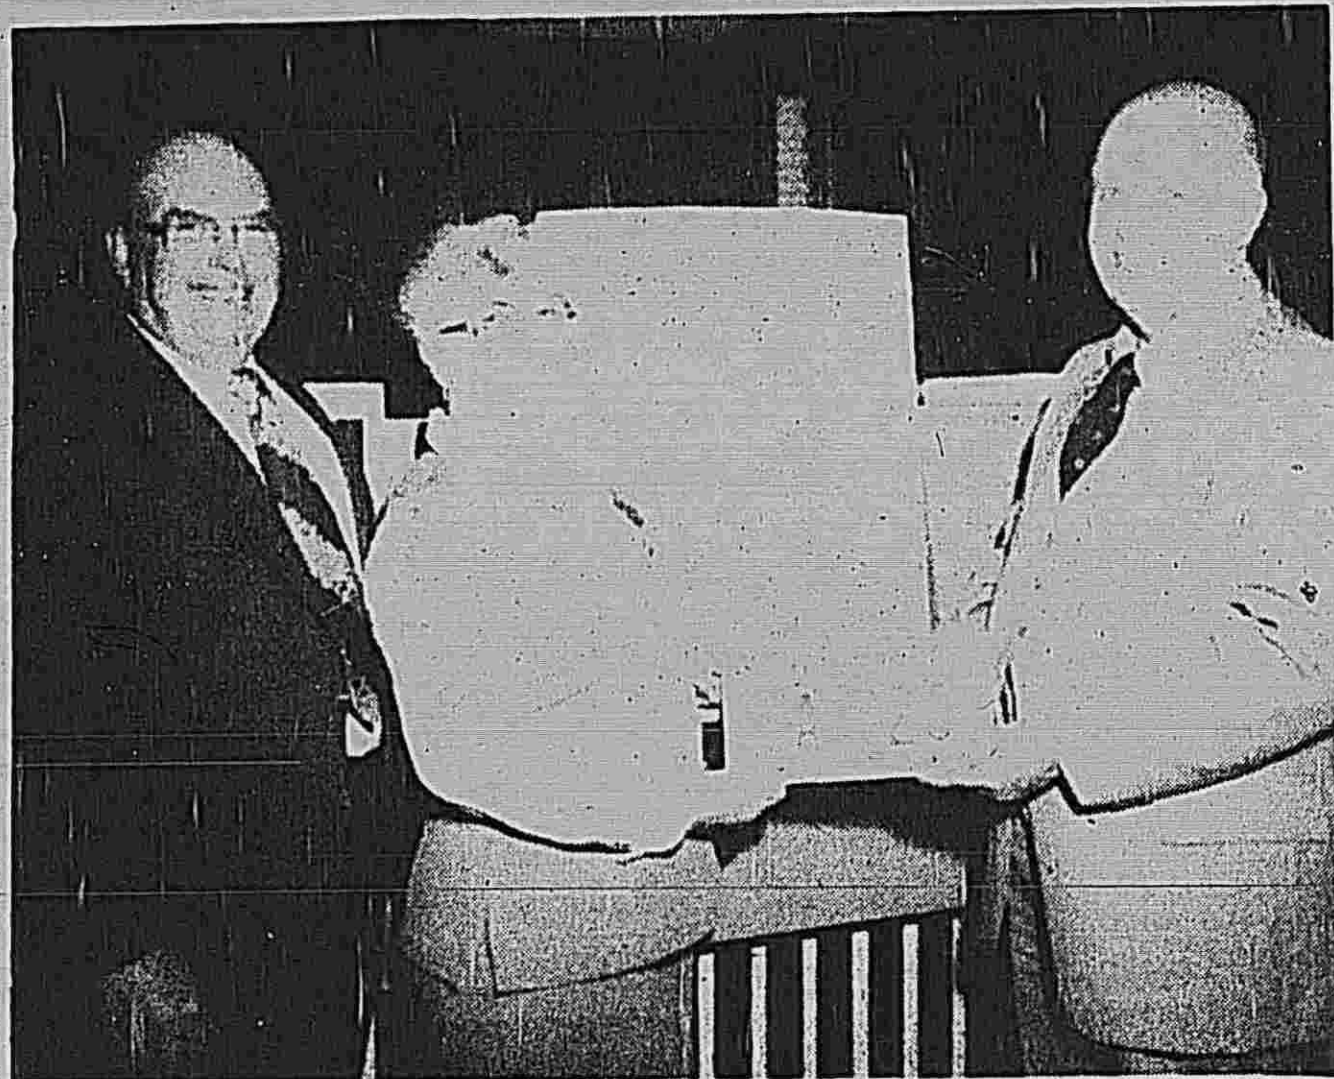

William E. Brook, president, has announced that the bank will begin selling the plates Friday, in cooperation with the office of the Illinois secretary of state.

The multi-year plates are made of aluminum and will last for five years. The colors are blue-letters-on-a white background.

The State Bank will be participating in the staggering of passenger car registration for three months in 1979: September, October and November. Fees are prorated on a monthly rate.

Expirations and fees are determined by the last two digits of 1978 license numbers.

Sale of plates over the counter by the State Bank will require a 1979 pre-print renewal form or a 1978 vehicle identification card by applicants.

MULTI-YEAR PLATES ARRIVE - C.J. Murphy (right), representing Allan J. Dixon, secretary of state, displays the new multi-year Illinois passenger license plate which will go on sale Dec. 1 at the State Bank of Antioch. Admiring the new plate are William E. Brook, bank president, and Phyllis Kapischke, supervisor of the teller department.

Salem woman dies after collision here

A 29-year-old Salem, Wis., woman died last Thursday night of injuries she suffered the previous Sunday in an auto accident in Antioch township.

Mrs. June M. Rayniak

died at Victory Memorial Hospital in Waukegan. Sheriff's deputies said she was a passenger in a car involved in a two-vehicle collision at Grass Lake Rd. and Hy. 83, south of Antioch.

Deputies said the driver, her husband John, suffered chest and leg injuries. The other driver, Patricia Ronan, 23, of Grayslake, also was hurt.

Shopping Spree winners named

More than \$400 in gift certificate prizes are being given away as the result of the week-long Shopping Spree sponsored by the Antioch Chamber of Commerce & Industry.

Caroline Matthiesen of Round Lake was the grand prize winner, receiving \$100 from the Globe of Antioch.

Myrus J. Nelson of Antioch will receive a \$75 gift certificate from Reeves Drugs and Kathy Turner, also of Antioch, won \$50 from the Lakes Area Advertiser.

TAMPA, Fla. — The U.S. Air Force has promoted Theresa J. Shamblin, daughter of Mr. and Mrs. George L. Shamblin Sr. of Lake Villa to the rank of airman first class.

Airman Shamblin is serving at MacDill AFB, Fla., as a law enforcement specialist.

She is a 1977 graduate of Grant High School.

MICHAEL BYRNES, an Antioch resident, finished second in the Masters Division (40 years and older) of the Hinsdale Marathon Nov. 19.

In running the 26-mile course in 2 hours and 58 minutes, he qualified for the Boston Marathon to be run next spring.

The 40-year old Byrnes finished only 30 seconds behind the Masters winner and was 31st overall.

Byrnes' wife, MaryAnn, and their three children, Scott (6) Keith (4) and Michelle (2), were there to cheer him on in his first marathon.

1979 PASSENGER CAR

LICENSE PLATES

ON SALE HERE

Beginning December 1, 1978, we will once again be cooperating with Secretary of State Alan J. Dixon's office in the sale of passenger car license plates.

We are especially thrilled this year to be a part of this program because we will be selling the new MULTI-YEAR license plate. This MULTI-YEAR plate will be made of aluminum and will last for five years. The colors are blue letters on a white background.

We will be handling the following expiration months: September 30, 1979, October 31, 1979, and November 30, 1979.

HERE'S HOW IT WILL WORK: When you received your 1979 renewal application you should have noticed two boxes at the top with the words "License Expires" and "Reduced Fee". The second box shows a lower fee than normal. The annual passenger license plate fee remains either \$18.00 or \$30.00. The "Reduced Fee" is because you are paying for less than a year registration. So, be sure and remember to bring in your PRE-PRINT RENEWAL FORM or a 1978 VEHICLE IDENTIFICATION CARD when you come for your new license plates.

TAKE ADVANTAGE OF THIS CONVENIENT SERVICE...
THE LICENSE PLATES WILL BE ISSUED IMMEDIATELY.

Attempting to explain polling place mess

By GRACE MARY STERN
Lake County Clerk

The County Clerk's office is still digging out from under a mountain of vote recorders, documents and notes from election judges.

The victors have recovered from their celebrations, and the losers have prepared resumes for the inevitable job-hunt.

And I have begun to answer the many letters that have come in from either angry voters or dismayed judges with regard to some of the procedures of the Nov. 7 general election.

THE MOST PREVALENT complaint, and the one that was most upsetting to voters, was the "lost Polling Place."

It has been very difficult to explain to a commuter who missed his train, why he was finally able to vote at a church (after visiting three different places) when his yellow voter's identification card clearly insisted that his polling place was the junior high school.

The difficulty arises from the irrational nature of the explanation.

THE COUNTY BOARD and the county clerk, in a remarkable venture into non-partisanship, created and implemented something called "The Voting Zone Plan" for the primary elections in March of 1978.

In effect, it "clustered" precincts for voting purposes so that two or three precincts voted together in one large (well-lit, airy, warm and accessible to the handicapped) polling place, such as a school gym or church hall.

The plan was a great dollar-saver, and streamlined the whole elections system. Unfortunately, the primary turnout was so low the test hardly counted, but comments in general were favorable. A Voter's I.D.

card was mailed to every registered voter, indicating his new (and "permanent" polling place).

Alas, two committeemen filed a lawsuit, challenging the legality of the project. And they were successful. The county board - county clerk team had been ahead of its time, and two jumps ahead of the statutes. The court ruled that additional polling places were to be designated and used at the November election. The grand plan had to be unraveled and re-knit in a few short months.

BY THE TIME the county board completed the task of designating those additional polling places, it was well into October and too late to send a new and different I.D. card. The ensuing barrage of publicity concentrated on the "change of polling place."

Newspaper inserts were distributed countrywide through local newspapers as well as via those plastic bags that get hung on everybody's front porch - press releases were issued, radio interviews were aired. In short, every effort was bent toward publicizing the changes. One has to wonder, if one is in the business of off the count, zipping through the ballots read nothing, heard nothing and seen nothing about the question.

WE WERE VERY UNHAPPY about the confusion since efficient elections and convenient voting have been one of the prides of our office. We're going back to work on it...

The voting booths without curtains (we call them the Model 3-A's) created some distress also. While some voters felt "free and unconfined," others felt "nude and exposed." We shall have to concentrate on that problem too.

There were the usual occasional confrontations between a voter and a judge - between a voter and a voting machine -

If there is a God;
why did he
create winter?

By JERRY PFARR

This week we are getting our annual reminder that golf great Ben Hogan was right when he said:
"Anyone who lives in the North in the winter is either crazy or a victim of circumstance."

The only winter sports that interest me happen near the warmth and glow and crackle of a fireplace.

That's why Monday and Tuesday's ice and snow was about as welcome as a shoe full of freezing slush.

Most people once agreed with me that it's pretty stupid to spend the winter months in this part of the country. But that's before so many of you fell in love with skiing and snowmobiling.

Now, you can actually get into an argument with the folks whose bumper stickers say, "Think Snow!"

THERE ARE NOW three subjects you can't discuss peacefully - politics, religion and snow.

Well, I don't care what your politics and religion are, but I hope all of this winter's snow falls or drifts into your driveway instead of mine ... that is, if you like it so much.

George Adkins, the United Parcel man, came in with some packages Tuesday and said:

"Who ordered all this cold weather?"

"Since you brought it through the door with you, do we have to sign for it?" one of us asked.

"No, I'll take it out with me when I go," laughed George.

BASEBALL PITCHER Tommy John, who just left the Los Angeles Dodgers for the New York Yankees, also made a lot of sense last week when he expressed his philosophy:

"Do your best all day and say your prayers at bedtime. Then get a good sleep and leave the worrying to God because he's going to be up all night, anyhow."

Today's Brighteners

A little girl went to church for her first time, and she was full of questions. When a baby was presented for baptism, her uncle said, "The parents are giving her to God."

When the minister returned the baby to the parents, she whispered, "I guess God didn't want that one."

Three boys were walking home from school one day and were bragging on their parents.

"My dad's a doctor," said one. "When I'm sick I go to him. Why, I can get well for nothing."

"So what?" shouted the second. "My dad's a lawyer. If I get into trouble I go to him, and I get help for nothing."

Not to be outdone, the third boy said, "That's not much. My dad's a preacher. I can be good for nothing."

\$15 prize goes to Laura Stewart

Laura Stewart not only won the Antioch News basketball contest last week, but she regained the "family championship" from her son, Harry.

Harry tied for third this week, just missing out on a prize when he lost in the "tie-breaker."

But Laura will receive \$15 in cash from Pedersen Bros. Implement Co. because she picked Libertyville to defeat Antioch by 17 points. Libertyville won by 18.

Second prize goes to Allan Figi, our 13-year-old expert from Trevor, who picked Libertyville by 15 points and will receive a \$10 gift certificate from A&B Printing Service.

THREE FORECASTERS TIED for third, missing the Antioch-Libertyville outcome by four points. In the "tie-breaker," Antioch's loss to Elgin Larkin, George Schoenleben came closest and will receive a \$5 gift certificate from Andre's Steak House. Tim Huebner and Harry Stewart lost in the "tie-breaker."

Another challenge faces basketball fans this week. Once again \$30 in prizes will be given to the persons who come the closest to predicting the outcome of the Antioch-Grant game.

Entries close Friday at 8 p.m. Be sure to have them in the Antioch News office, or postmarked, prior to that time. A blank appears in today's paper.

THAT MAGIC TIME of the year for youngsters, when Santa comes to town to hear what they want for Christmas, happened in Antioch last Saturday. That wonderful old gentleman from the North Pole toured the town on a fire truck, then stopped at White's Ice Cream Parlor where hundreds of children were waiting for him. The Chamber of Commerce & Industry once again sponsored Santa's visit.

Christmas Tree event set

The Parks and Recreation Department will hold the Christmas Tree Lighting Ceremony on Monday, Dec. 4 at 6 p.m. at the Village Hall.

Following the tree lighting, there will be a free movie at the Antioch Theatre, "Sinbad." The seating is limited. Tickets can be obtained at the Chamber of Commerce office, Parks and Recreation office and Police station.

During the Christmas season the Parks and Recreation Department is offering "Babysitting" for your convenience. This program will include movies, crafts and games. No children under three years old, please.

The dates this program will be held are Fridays Dec. 8 and 22 and Mondays Dec. 11 and 18. On Fridays it will be held at the Scout House and on Mondays at the Fire Station basement.

Time for babysitting is 6 p.m. to 8 p.m.

**70 YEARS AGO: NOVEMBER 27, 1908**

The trust fund left by his widowed mother, by which his board was paid and from which he was paid seventy-five cents a week, being nearly exhausted, George H. Tiffany of Waukegan, Friday night carried out an oft made threat and committed suicide rather than go to the poor house. Tiffany was the last remaining scion of a family that in the sixties well represented Waukegan's wealth and aristocracy. He was a book worm of gentle parentage, gently nurtured, he would never work. He had the reputation of having read every book in the Waukegan library. He was sixty-five years old and was averse to human toil. He would never hold a job and insisted on being supported by others, a hard task because of his weakness for strong drink.

The parents of Miss Sophia Gever of Liberty Corners, whose marriage was reported last week wish to make an emphatic denial of the rumour, and state that there is no foundation whatever for the story.

Farmers in the vicinity of Volo have been thrown into a pitch of real excitement during the past week, through the appearance of a pack of wild wolves. The wolves, about a dozen in number have been seen by a number of different farmers and plans are now being made for a wolf hunt.

Creditors of the Besley Brewing Company of Waukegan filed a petition in bankruptcy. The Besley Brewery was founded in 1853 by the late William Besley who operated it with his sons until his death some years ago.

40 YEARS AGO: DECEMBER 1, 1938

Representatives of the Antioch Fire department were among the 150 firemen and their guests who attended a venison dinner given by the Wauconda department Monday evening.

The third annual gala community party sponsored by the Junior Class will be held Saturday at 8 o'clock at the school. Fun for every member of the family has been the motto in planning this year's event. There will be dancing for the "jitterbugs," with music by the high school swing band. Hostetter's orchestra will play for old-time dancing. For those with no desire to "swing it" there will be bridge and five hundred. A clever floor show is to be another high point in the evenings entertainment with refreshments available in the cafeteria throughout the evening.

Roselle Brewer and her famous "Seeing Eye" dog, Lady Luck, will appear in a lecture in the Antioch Township High School auditorium Friday evening.

Miss Buddie Musch is employed at the grade school.

20 YEARS AGO: NOVEMBER 27, 1958

Eighth grade students of the Grass Lake School will be featured on radio station WKRS in Waukegan. The students will discuss "Youth and Our Government."

Jewelry business as a business hasn't changed much since 1902 but more than 2,000 people last week saw that a place of business certainly can change. The people took part in the three-day opening of the newly remodeled Keulman's Jewelry at 913 Main St. The business, begun by Olive and the late William Keulman, has grown every year says Charles Keulman, son of the founder and present owner.

When Lindenhurst was organized two years ago, neighboring municipalities looked somewhat askance at the proposed jobs to be taken care of by cooperation. That look has now changed to admiration. The Lindenhurst Policemen's Ball last weekend helped change the opinion of many.

10 YEARS AGO: NOVEMBER 28, 1968

A gold gas meter was installed at the home of Northern Illinois Gas Company's one-millionth customer, the Harry Hanus family.

Bicycle registration day for 1969 licenses will begin at the Antioch police station on Dec. 1.

Lake County's electronic voting system saved the taxpayers over \$70,000 this year, according to County Clerk Truman Gerretsen.

Real estate taxes can be paid at bank

William E. Brook, president of the State Bank of Antioch, has reminded residents that the bank once again will be the collecting agent for the Lake County treasurer's office.

The second installment for real estate taxes for 1977 will be due by Friday, Jan. 5, and all banks will cease collection after that date.

The second installment bill will indicate the balance due for the 1977 tax year, with exemptions, Homesteads, etc. applied.

In the event the first installment has not been paid, there will be a seven percent penalty due Dec. 1, 1978, on that installment.

"For convenience and safety the taxes can be paid at the State Bank," Mr. Brook said.

FACTS And FICTIONS

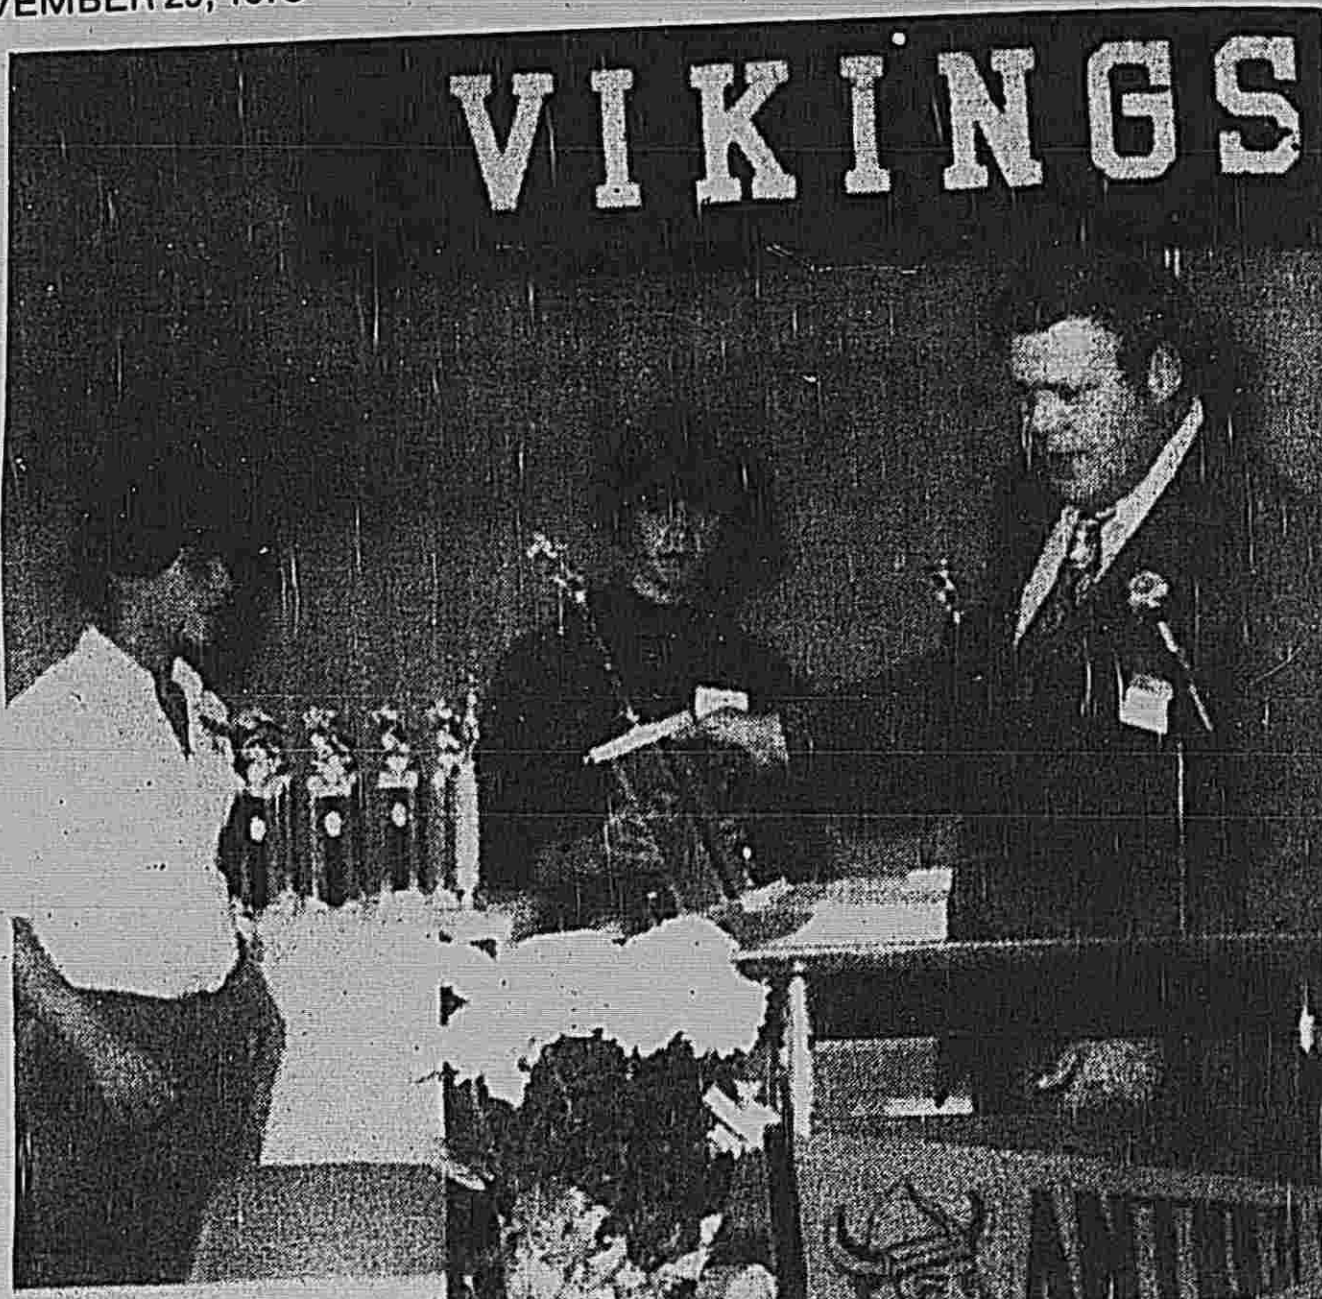

It's not true that the United States is wholly dependent on foreign countries for its fuel. Imports actually fill less than half of our petroleum needs, and we have substantial coal resources to draw upon.

Not all coal is the same! Coal mined in different parts of the country may vary in hardness, ignition temperature, moisture and sulphur content. Some types of coal with lower sulphur content burn "clean." Now, Coal Enrichment, a new process developed by FMC Corporation, makes it possible to upgrade much of that "clean" coal for use by utilities throughout the country.

Coal is still considered a good luck charm in parts of England and Ireland, but its use as a fuel is of fairly recent vintage: probably the 12th century.

The first American fire engine, built in 1654, was a wheeled machine that spouted water from a cistern filled by bucket-passers.

THE CHAMPIONSHIP TROPHY of the Northern Illinois Junior Football League is presented by Ron Vogt to Antioch Viking Lightweight co-captains Tom Adams and Kevin Haarstad. (Story on next page.)

RETIRING COACH Dave Miller told parents at last week's season-ending Viking football banquet: "Thank you for giving me your boys to work with these past nine years." Seated at right is Steve Wapon, Antioch High School coach.

Viking dinner fills 2 rooms

About 450 Viking parents and players filled the Antioch High School cafeteria and commons for the annual Antioch Viking Football banquet. Ron Vogt served as master of ceremonies in the commons where the heavyweight and lightweight teams met, while Tom Bittner hosted the four featherweight teams in the cafeteria. Brother Vincent, of the Order of St. Benedict, gave the invocation to begin the banquet.

After everyone finished eating, both M.C.'s spoke briefly about the objectives of the Viking organization and introduced its officers and coaches. President Leo McGrain gave a brief history of early Viking beginnings, which led him to the "Viking of the Year Award." This year's first award was presented, posthumously, to Jim Walsh who served as treasurer of the organization until 1974. Mrs. Vi Walsh and Dan Walsh, an early Viking coach, accepted the award in his behalf. This year's other "Viking of the Year Award," was presented to Pres Reckers, who found financial support for the Viking Football during its early years.

70 YEARS AGO: NOVEMBER 27, 1908

The trust fund left by his widowed mother, by which his board was paid and from which he was paid seventy-five cents a week, being nearly exhausted, George H. Tiffany of Waukegan, Friday night carried out an oft made threat and committed suicide rather than go to the poor house. Tiffany was the last remaining scion of a family that in the sixties well represented Waukegan's wealth and aristocracy. He was a book worm of gentle parentage, gently nurtured, he would never work. He had the reputation of having read every book in the Waukegan library. He was sixty-five years old and was averse to human toil. He would never hold a job and insisted on being supported by others, a hard task because of his weakness for strong drink.

The parents of Miss Sophia Gever of Liberty Corners, whose marriage was reported last week wish to make an emphatic denial of the rumour, and state that there is no foundation whatever for the story.

Farmers in the vicinity of Volo have been thrown into a pitch of real excitement during the past week, through the appearance of a pack of wild wolves. The wolves, about a dozen in number have been seen by a number of different farmers and plans are now being made for a wolf hunt.

Creditors of the Besley Brewing Company of Waukegan filed a petition in bankruptcy. The Besley Brewery was founded in 1853 by the late William Besley who operated it with his sons until his death some years ago.

40 YEARS AGO: DECEMBER 1, 1938

Representatives of the Antioch Fire department were among the 150 firemen and their guests who attended a venison dinner given by the Wauconda department Monday evening.

The third annual gala community party sponsored by the Junior Class will be held Saturday at 8 o'clock at the school. Fun for every member of the family has been the motto in planning this year's event. There will be dancing for the "jitterbugs," with music by the high school swing band. Hostetter's orchestra will play for old-time dancing. For those with no desire to "swing it" there will be bridge and five hundred. A clever floor show is to be another high point in the evenings entertainment with refreshments available in the cafeteria through-out the evening.

Roselle Brewer and her famous "Seeing Eye" dog, Lady Luck, will appear in a lecture in the Antioch Township High School auditorium Friday evening.

Miss Buddie Musch is employed at the grade school.

20 YEARS AGO: NOVEMBER 27, 1958

Eighth grade students of the Grass Lake School will be featured on radio station WKRS in Waukegan. The students will discuss "Youth and Our Government."

Jewelry business as a business hasn't changed much since 1902 but more than 2,000 people last week saw that a place of business certainly can change. The people took part in the three-day opening of the newly remodeled Keulman's Jewelry at 913 Main St. The business, begun by Olive and the late William Keulman, has grown every year says Charles Keulman, son of the founder and present owner.

When Lindenhurst was organized two years ago, neighboring municipalities looked somewhat askance at the proposed jobs to be taken care of by cooperation. That look has now changed to admiration. The Lindenhurst Policemen's Ball last weekend helped change the opinion of many.

10 YEARS AGO: NOVEMBER 28, 1968

A gold gas meter was installed at the home of Northern Illinois Gas Company's one-millionth customer, the Harry Hanus family.

Bicycle registration day for 1969 licenses will begin at the Antioch police station on Dec. 1.

Lake County's electronic voting system saved the taxpayers over \$70,000 this year, according to County Clerk Truman Gerretsen.

Antioch area servicemen and women are not going to be forgotten this Christmas. Project Vietnam is going to take care of that. Some 220 packages have been made up for the Christmas mailing.

Real estate taxes can be paid at bank

William E. Brook, president of the State Bank of Antioch, has reminded residents that the bank once again will be the collecting agent for the Lake County treasurer's office.

The second installment for real estate taxes for 1977 will be due by Friday, Jan. 5, and all banks will cease collection after that date.

The second installment bill will indicate the balance due for the 1977 tax year, with exemptions, Homesteads, etc. applied.

In the event the first installment has not been paid, there will be a seven percent penalty due Dec. 1, 1978, on that installment.

"For convenience and safety the taxes can be paid at the State Bank," Mr. Brook said.

FACTS And FICTIONS

It's not true that the United States is wholly dependent on foreign countries for its fuel. Imports actually fill less than half of our petroleum needs, and we have substantial coal resources to draw upon.

Not all coal is the same! Coal mined in different parts of the country may vary in hardness, ignition temperature, moisture and sulphur content. Some types of coal with lower sulphur content burn "clean." Now, Coal Enrichment, a new process developed by FMC Corporation, makes it possible to upgrade much of that "clean" coal for use by utilities throughout the country.

Coal is still considered a good luck charm in parts of England and Ireland, but its use as a fuel is of fairly recent vintage: probably the 12th century.

The first American fire engine, built in 1654, was a wheeled machine that spouted water from a cistern filled by bucket-passers.

Viking dinner fills 2 rooms

About 450 Viking parents and players filled the Antioch High School cafeteria and commons for the annual Antioch Viking Football banquet. Ron Vogt served as master of ceremonies in the commons where the heavyweight and lightweight teams met, while Tom Bittner hosted the four featherweight teams in the cafeteria. Brother Vincent, of the Order of St. Benedict, gave the invocation to begin the banquet.

After everyone finished eating, both M.C.'s spoke briefly about the objectives of the Viking organization and introduced its officers and coaches. President Leo McGrain gave a brief history of early Viking beginnings, which led him to the "Viking of the Year Award." This year's first award was presented, posthumously, to Jim Walsh who served as treasurer of the organization until 1974. Woman's Club sees Indian arts, crafts

The guest speaker at the Nov. 20 meeting of the Antioch Woman's Club was Susan Regitz of Villa Park.

She discussed the arts and crafts of the Indians of the Southwest. Samples of basketry, sil-

ver, weaving, pottery and ceremonial items of the Navajo, Hopi and Zuni Indians were displayed.

Hostesses included Kathryn Kulack, Wanda Barthel, Polly Bruhn, Ila Lasco, Jan Burdick, Donna Olson, Trudy Anderson, Phyllis Bucar and Muriel Jennings.

The club's next meeting will be Monday, Dec. 4, at the First Bank of Antioch at 12 noon. It will be a Christmas Party and pot luck luncheon.

'Napkin Holders, Inc. are hard at work'

Students in the 8th grade shop classes at Antioch Upper Grade School have begun their "World of Work" unit.

Several students have invested their hard-earned cash in stocks to help form a school corporation called "Napkin Holders Inc."

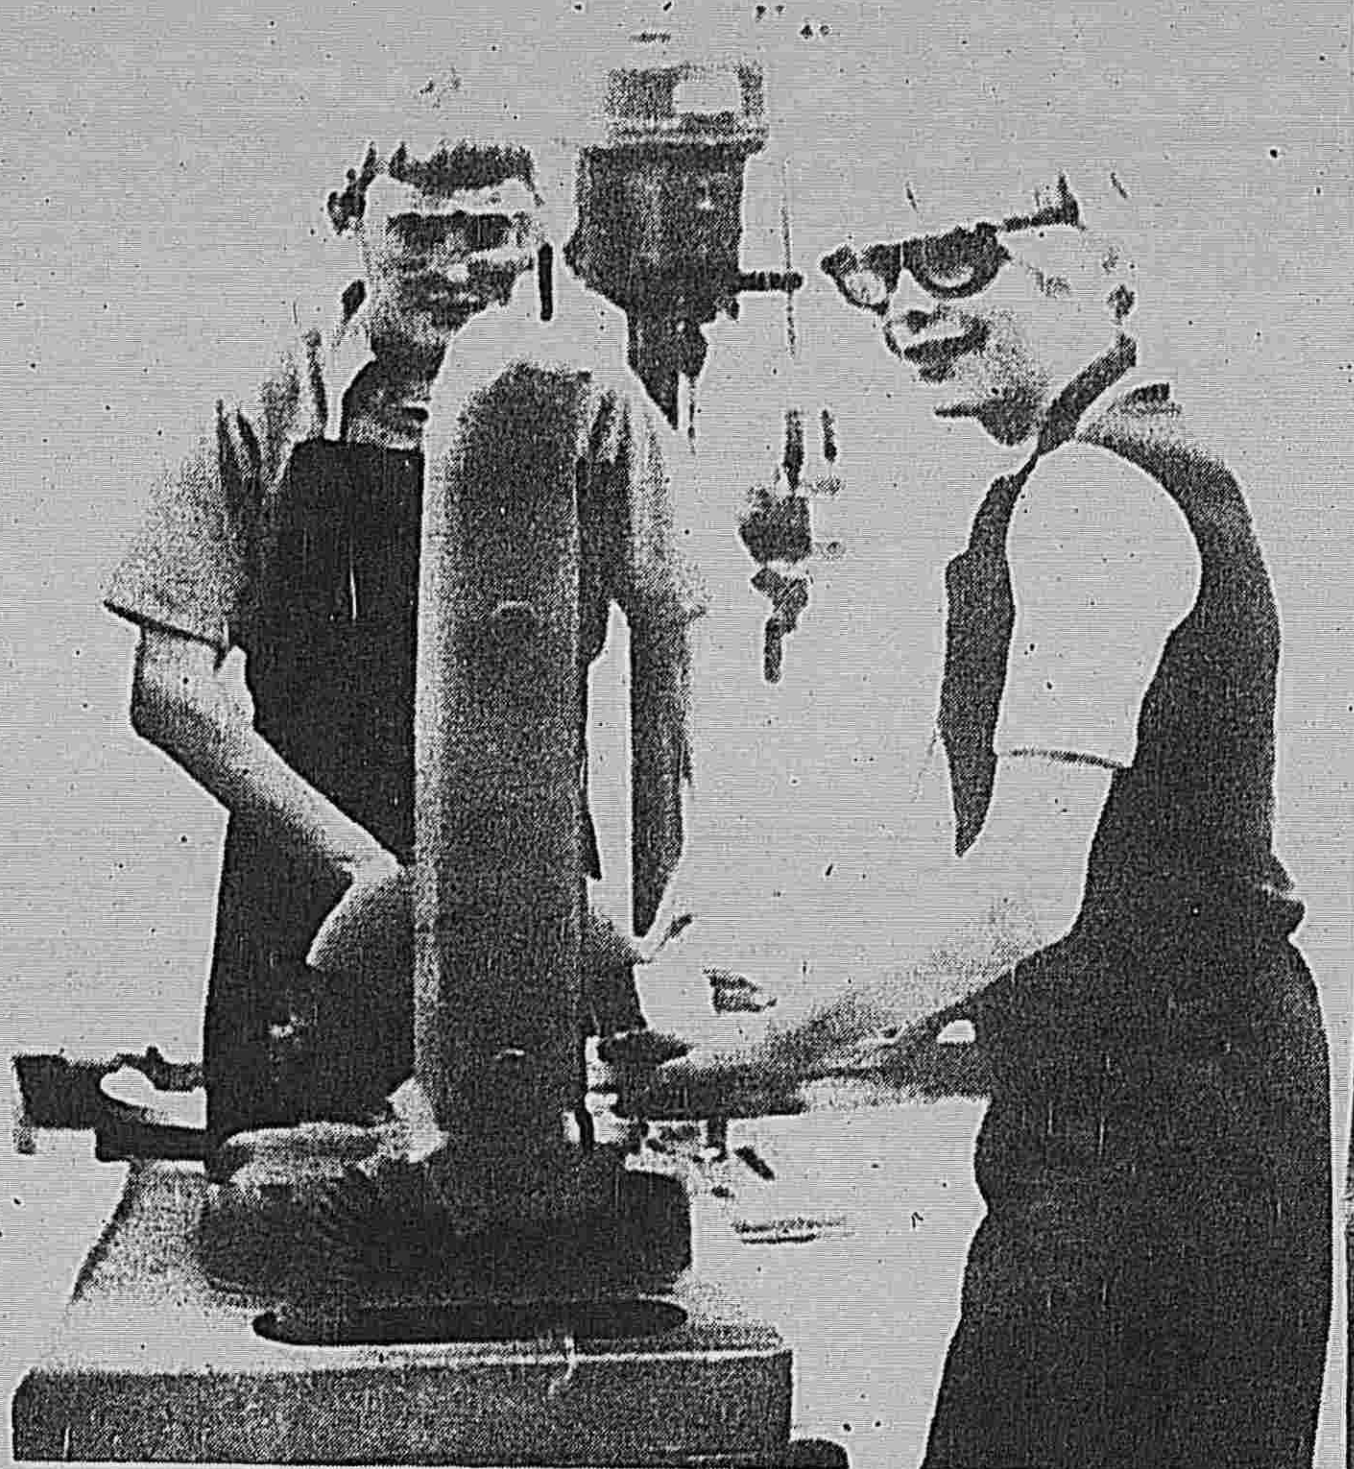

Students were job-trained for assembly line work. While on the assembly line, they will produce more than 400 napkin holders

and will be paid for holders sold.

Many students should be walking out of the shop with a healthy check for stock invested, dividends, labor and sales commission. All of which helps point out the real "World of Work."

The cost of each napkin holder will be \$4; the ending date for sales will be Dec. 8.

The napkin holders make excellent Christmas presents.

Your Guide to Fine Dining and Excellent Entertainment

THE ENTERTAINER

'Androcles' opens here Saturday

The play "Androcles and the Lion" opens at 8:30 p.m. Saturday at the PM&L Theatre in downtown Antioch. Reservations can be made by calling 395-3055. Tickets are \$3 and \$1.

Doors open at 7:30 and ticket reservations should be picked up by 8:15. Curtain time is 8:30 for all performances. Additional performances are scheduled Dec. 8, 9, 15 and 16.

The author is George Bernard Shaw, a confirmed atheist. As you listen to the lines of the play it is often difficult to believe that such a non-Christian would allow the Christians to win so gloriously.

SHAW HAS SHOWN both sides of the pictures with humor. For instance, "Onward Christian Soldiers" is sung when the Romans bring Christians on stage. The hymn was not written until several centuries later.

The Lion (Todd Seisser) is played professionally but not as fiercely as the real thing. The lion dances with Androcles in the first scene and by the last scene you will know who is in charge, the lion, the Christian or Caesar.

THE CAST INCLUDES Hank Apostol as Androcles, Seisser as the lion and Tracy Teltz Kiederlen as Lavinia.

Bev Palmburg, president of Avon Players, is Megaera and Ken Scheske of Antioch is playing Emperor Caesar.

Martin Domeracki of Antioch, a board member of Avon Players, is the captain. The cast also includes Charlie Brown of Trevor, Steve Buri, Larry Bersie, Don Beveroth, Bob Quinn, Frank Greenwood and Andrew Biel.

Aileen Biel is stage manager, Pat Sershon is in charge of costumes, Ed Sershon and Alex Apostol are on lights and set design is by Bill Sershon, also the director.

Madrigal Feast at CLC

Seven College of Lake County students are among the entertainers at the fifth annual Madrigal Feast scheduled for Dec. 2 and 3 and CLC, including Rosline Scheske of Antioch. Dave Rostol of Lindenhurst is also in the cast.

Artistic director is John

Mills, a CLC graduate, who has been active in the coordination of King Richard's Faire.

Tickets for the feast may be obtained at the CLC bookstore or information may be obtained by calling the activities office at 223-6601, ext. 410.

"The Messiah" at ACHS Sunday evening

On Sunday evening, Dec. 3, at 8 p.m. in the Antioch High School auditorium the Community Chorus will again bring to life the beautiful music of the Christmas portion of "The Messiah."

There can be no better way to start the Christmas Season than to attend this most traditional of all Christmas concerts.

The 90 voice choir will be under the direction of Ralph Brooke, who is also chairman of the Fine Arts Department of Antioch High School. The soloists are soprano Betty Beveroth of Paddock Lake; Kim Anderson of Antioch; Eva Harper of Lake Villa will sing the alto role; Ken Smouse of Antioch will be the tenor and Bernard Izzo of Elmhurst will sing the bass role.

Tracy Teltz Kiederlen of Antioch will be the pianist and Suzanne White of Waukegan will be the organist.

Reservations for the concert may be made by calling 395-1259. Tickets are available from several members of the chorus and will probably be available at the door the night of the performance.

A modern critic has stated it thus: "Through the music of 'Messiah' we participate, in a new way, in the life of the Saviour. At the outset we are identified with the prophets who speak. When the chorus sings 'For unto us a Child is born,' we are no longer prophets but shepherds with them. And when the strains of the Pastoral Symphony reach our ears, we, too, offer up a lullaby to the new-born King."

A more fitting start for Christmas cannot be imagined.

Letters from Santa

Antioch Savings and Loan Association will again sponsor the "Letters from Santa Claus" program. The program is designed to allow little boys and girls to receive a letter from Santa with an official postmark from Santa Claus Indiana.

Letters and envelopes are provided by Antioch Savings and Loan. They are addressed to the child and mailed in a special mailbox in the Savings and Loan lobby.

Letters are then sent to Santa Claus Indiana where they are processed through the official Santa Claus Post Office and receive the magic postmark.

A few days later the child will receive a letter from Santa Claus.

This program is open to the public as a community service by Antioch Savings & Loan.

Football team gives out its own honors

The Antioch High School varsity football team has elected Greg Bodin its "most valuable player" and Scott Schroeder team captain for the year.

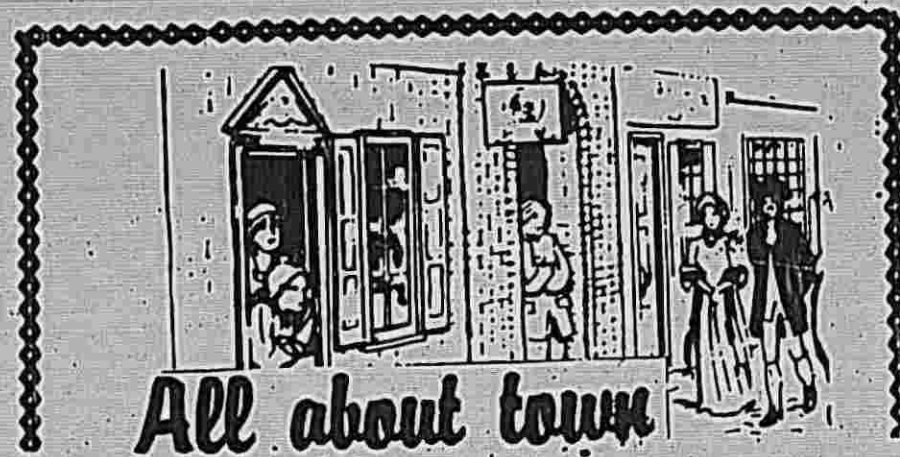

The honors were announced by Coach Steve Wapon.

Bodin was one of the team's leading ball-carriers and also a talented line-backer on defense.

Schroeder was an outstanding pass catcher on offense and also starred as a defensive back.

The players elected junior running back Mitch Case as their "most improved" teammate.

Bodin was elected "outstanding back" and Mike O'Hara "outstanding line-man." O'Hara also was named homecoming king during the season.

Turn your home into an energy conservation machine. With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source. The sun. It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

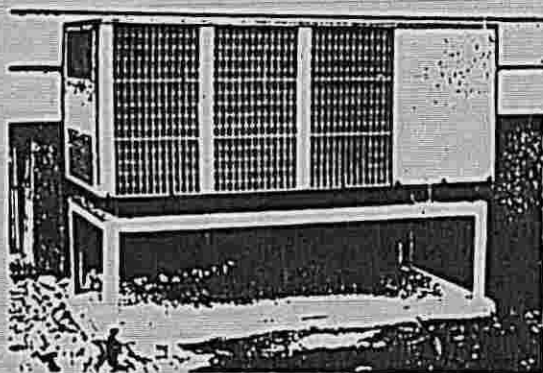

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

Even on the cloudiest, coldest day of winter, there's still solar heat in the air. The refrigerant in the outdoor coil absorbs this heat, is compressed and pumped inside.

The heat comes out, keeping you warm. In summer the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool.

The amazing heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

No matter how the temperature changes, the heat pump automatically makes the necessary changes to keep you comfortable. And the unit filters the air and dehumidifies, too.

Produces more energy than it uses.

That's why the heat pump is a real energy conservation machine. In a typical Illinois winter, a heat pump provides at

least 1.5 units of heat energy for every equivalent unit of electricity it uses.

Unlike systems that merely use up energy to make heat, the heat pump uses electricity to produce more energy than it uses. It's this extra energy bonus that makes the heat pump a smart investment.

The initial cost is a little higher. But the operating cost is lower. So in the long run, the heat pump can help you save.

How to get one.

You can often replace your present system with a heat pump. Installing a heat pump in a new home is even easier.

Either way, it's important to get a quality product and have it properly installed and serviced. Check listing below.

Future Sequoits get first basketball win

The Antioch sophomore basketball team, opening the season in the tough Barrington tournament, suffered losses to Barrington and Libertyville before rebounding against the Elgin-Larkin sophs to notch the season's first win.

In the tournament's opening game, host Barrington jumped to an 8-point halftime lead at 28-20.

The Broncos then took advantage of numerous defensive mistakes in the second half to win going away, 62-45.

Dan Maras and John Eckert led the scoring for Antioch, while Eckert and Pete Weber rebounded well against the taller Broncos.

IN FRIDAY'S GAME against Libertyville, Maras and John Ploss combined for 20 points in the first half to give Antioch a 28-27 halftime lead. However, Libertyville's pressing defense kept the Sequoits off balance throughout most of the second half, as the Wildcats went on to a 59-50 win.

Maras finished with 26 points, including 10 of 11 shots from the free throw line, to lead all scorers for the game.

THE DETERMINED Antioch sophs finally put together two good halves against Elgin-Larkin on Saturday.

Balanced scoring and a much-improved defense gave Antioch a 23-18 halftime edge, a lead they never relinquished.

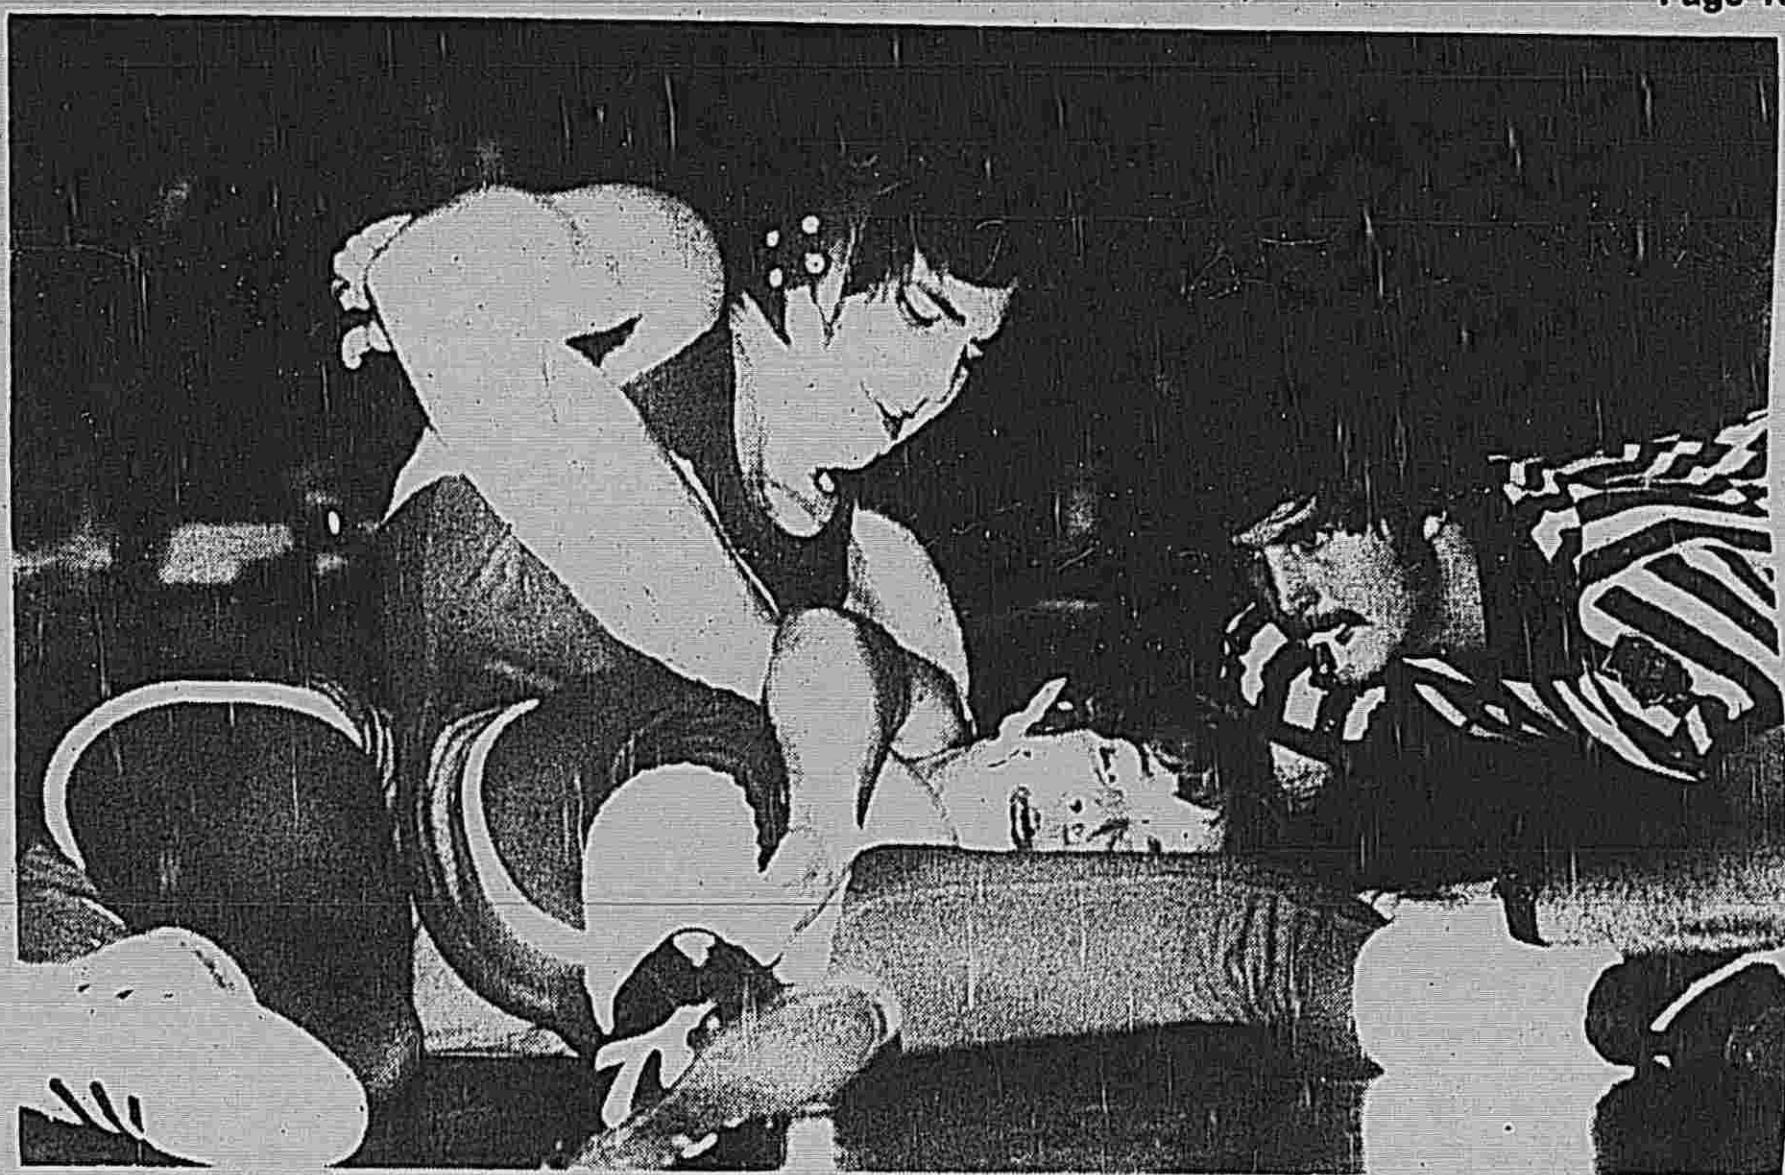

Led by the outside shooting of Tim Koesser and the

rebounding of Maras, the Sequoits crushed Larkin in the second half to record a solid 53-29 victory.

Koesser led all scorers with 22 points, followed by Gary Volling with 9 and Ploss with 8 points. "It was really the team defense that was the key in this win," according to Coach Don Zeman. "Antioch limited Elgin to only 11 points in the second half."

On Friday the Sequoits travel to Fox Lake for an important conference matchup against the Grant Bulldogs. The sophomore game begins at 6:30, followed by the varsity contest at 8 p.m.

finals of the talent-packed Rich South tournament last weekend. (Paul Maplethorpe photo.)

Outlook super for wrestlers

The Antioch wrestling program is living up to the expectations of recent years.

The work of Coach Ted DeRousse and his colleagues, plus the ability of their wrestlers, paid off last week when the high school varsity placed second in the 32-team Rich South tournament.

Antioch lost the championship by only 2½ points in what DeRousse called "the state's largest and most prestigious invitational wrestling tournament."

"THIS IS THE BEST Antioch had done in the four years we have been in this tournament," DeRousse said. "It indicates an outstanding season ahead for the Sequoits."

Antioch showed team balance as it did not crown an individual champion, but all 12 wrestlers won at least one match.

Glen Kaht, 138, was Antioch's highest finisher as he placed second.

Jon, 105, and Marvin Gibson, 132, each placed third and Mike O'Hara, 185, placed fourth.

Other point-getters for Antioch were Glen McCollum, 98, who won three matches, two by fall; Dan Larsen, who placed third in the consolation bracket; Tim Haviland, 119, fourth in the consolation bracket; Jim Fasnacht, 126, who reached the semifinals; Dave Bogaerts, 145, who won two

matches; Kirk Sarmont, 155, and Dave Aschbacher, who won one match, and Ted Bessette, who won three matches at heavyweight.

WEDNESDAY, BEFORE Thanksgiving, the Sequoits entertained Mundelein and Zion on the home mats.

Against Zion, Antioch scored a rare 63-0 shutout.

"It is almost impossible to beat another team in wrestling defeating all 12 of their individuals," said DeRousse.

"In fact, it was such a surprise that I think it set us up for Mundelein. We were basking in the light of our shutout and thinking about the upcoming tournament when Mundelein upset us 25-19.

"It's unfortunate that we lost, for I think many of the wrestlers were already thinking of an undefeated dual meet season. But they are a mature group of athletes and they realize that, in wrestling, tournaments are what count.

"I think they realize after finishing second in the Rich South tournament that we have a team with outstanding potential.

"Our schedule is one of the toughest in the state of Illinois and will prepare us for the conference and state tournament at the end of the year."

Early-season showdown: Antioch vs. Grant

Sequoit basketball team faces favorite

The conference basketball season opens Friday night, 8 o'clock, for Antioch's varsity and the Sequoits have their work cut out for them.

They travel to Fox Lake to face the Northwest Suburban favorite, Grant's Bulldogs.

The Bulldogs put up a good fight last Saturday before losing 68-57 to Rockford East, fourth in the state last season.

ANTIOCH, MEANWHILE, got off to a rocky start in the rough Barrington Thanksgiving tournament — losing all three games.

Barrington, another state power, crushed the Sequoits 85-62 on Wednesday, Elgin-Larkin outdueled them 71-64 on Friday and then, on Saturday, the Sequoits shot poorly and lost 65-47 to Libertyville.

Against Libertyville they hit on a mere 14 of their 64 shots for a mere 22 percent.

"Most of our players were in their first varsity games," explained coach Roger Andrews. "We gained much-needed experience in the tournament. It isn't much fun losing all three games, but the squad worked hard and hustled. With a couple of breaks and good shooting in the last game, we could have won two of the three contests."

THREE ANTIOCH STARTERS "really showed some signs of doing a good job," Andrews said. Dave Gutowski, a guard, and Pete Ploss and Chris Oddsen, in the middle of the offense, were the Sequoits he singled out.

"We feel the team is going to mature and be a fine ball club before the season is over," the coach added.

Regarding Friday's trip to Grant, Andrews said:

"I am sure it will be a great Antioch-Grant game. The winner will be in a very favorable position in the conference race."

A HIGHLIGHT FOR Antioch in its opener against Barrington was the 25-point shooting performance of Scott Gallagher. He hit on 10 of 15 field goal attempts and five of eight free throws.

Gutowski contributed 14 points while Ploss and Rob Nauman each had eight.

Against Elgin Larkin, Gutowski led with 14 points, Roger Korjenek and Gallagher each scored 13 and Ploss had 12.

Then, against Libertyville, it was Ploss leading the way with 18 points while Gutowski contributed 10 and Oddsen nine.

IN GRANT'S LOSS to Rockford East, Jon Miller led the Bulldog offense with 24 points. He will be the Grant player to watch in Friday night's conference opener.

WHEN HE WAS TOLD that other coaches were picking his Grant Bulldogs to win the conference championship, Tom Maple smiled and admitted:

"Very unofficially, I would have to agree."

All five of Grant's returning lettermen were starters last season, plus the varsity now includes nine juniors who were members of what Maple calls "a super sophomore team."

"Coached by Fritz Kazlauskis, they were 21-3 overall and 16-0 to win the conference sophomore championship," Maple said.

THE FIVE LETTERMEN are led by Jon Miller, a 6-2 forward who was all-conference as a junior last season. He

averaged 14 points a game, shooting 54 percent from the field.

"Jon is a good leaper and a hard competitor," Maple said. "The other four lettermen are all capable scorers and pretty well-rounded players."

They give Grant a team with fairly good size: 6-3 Keith

Kelly, 6-1 Mike Bosman, 6-3 Terry Tylkowski and 6-4 Kevin Dagnan.

Kelly co-starred with the 200-pound Miller in Grant's football backfield this fall.

Keith Kelly, incidentally, is the third of three brothers who have starred for Grant in both football and basketball in recent years. Kevin Kelly was a standout for the Bulldogs in 1975 and '76 while Kerry Kelly was a member of Maple's 1976-77 conference championship team.

MAPLE THINKS three other teams "have a very legitimate shot at winning" the conference title.

"Based on lettermen, plus height, tradition, coaching and everything else, Stevenson, Wauconda and Warren are contenders," he said. "Like us, they all have key lettermen back."

"Lake Zurich is a darkhorse," Maple added, "and I have yet to see an Antioch team that isn't representative."

"We will find out before Christmas whether we're true contenders or not, because we play Antioch, Stevenson, and Warren to open our conference schedule," Maple said.

SHOWING HUSTLE in last week's Barrington tournament was Dave Gutowski, Antioch High School basketball letterman. He scored 37 points in the three games.

4 Sequoits win all-state mention

Four Antioch High School football players last week received honorable mention on the Chicago Sun-Times' all-state team.

They were Dave Aschbacher, 175-pound guard; Mike O'Hara, 193-pound tackle; Scott Schroeder, 174 pound end and defensive back, and Andy Dziki, 167-pound linebacker.

ALL 4 OF THE Antioch stars are seniors.

The four Sequoits, who helped their team finish the season with three consecutive thrilling victories, previously were named to the all-Northwest Suburban Conference team.

OBITUARIES

Robert W. Anderson

Mr. Robert W. Anderson, 47, of Antioch passed away suddenly Thursday at North Side Hospital in Youngstown, Ohio. He was born Aug. 13, 1931 in Chicago and lived in Antioch for the past 18 years.

He was a member of the Antioch Evangelical Free Church and served in the U.S. Army during the Korean Conflict. He was a general contractor in Antioch for several years.

Survivors include his widow, Anna Louise; three daughters, Kathy, Karen and Robin; one son, Bobby (all at home); his mother Anna J. Anderson of Antioch; four sisters, Mrs. Elizabeth Evans, Youngstown, Ohio and Mrs. Ruth Tjernlund of Albany, Oregon, Mrs. Anna Mae Dzik of Lake Villa and Mrs. Esther Solomon of Palm Springs, Calif.; one brother, Richard Anderson of Villa Park.

Memorial services were held Monday, Nov. 27 at the Antioch Evangelical Free Church with Rev. Jim Gwinn officiating. Private interment was in Home Oak Cemetery, near Antioch. Arrangements were made by Strang Funeral Home.

Iver O. Eide, M.D.

Iver O. Eide, M.D., 83 of Antioch and Sarasota, Fla. died Saturday, Nov. 25 at Victory Memorial Hospital in Waukegan. He was born May 22, 1895 in Chicago and had divided his time between Antioch and Sarasota for many years.

Dr. Eide attended the Chicago College of Medicine & Surgery, graduating in 1916 and was a general practitioner and industrial surgeon on the northwest side.

He was a member of the 50 year club of American Medicine; the West Irving Blair Masonic Lodge No. 271, AF & AM in Chicago and Medinah Temple of the Shrine and the Sarasota Shrine Club in Florida.

On May 14, 1924 he married Grace B. Mitchell, a graduate of Chicago College of Medicine and North Western University Law School.

Survivors include his widow Grace; one son, Elling O. Eide of Sarasota. He was preceded in death by two brothers and two sisters.

Funeral services were held Tuesday in Orland Park United Methodist Church in Orland Park. Burial was in Brooks Cemetery, Orland Park. Friends called at the Strang Funeral Home, Antioch.

Mary A. Podstawa

Mrs. Mary A. Podstawa, 55, of Antioch passed away Sunday at Lake Forest Hospital. She was born May 21, 1923 in Pennsylvania and lived in Chicago for several years before moving to Antioch 16 years ago.

She was a member of St. Peter's Church. She married John W. Podstawa May 23, 1952.

Survivors include her husband, John W.; two sons, Patrick (Pamela) of Waukegan, Paul W. (Victoria) of Zion; her mother, Mrs. Mary Szaflarski of Detroit, Mich.; four brothers; three sisters and two grandchildren.

Funeral Mass was held Tuesday at St. Peter's Church in Antioch. Interment was in Hillside Cemetery. Friends called at the Strang Funeral Home on Monday.

June M. Rayniak

Mrs. June M. Rayniak, 29, of Salem passed away Thursday, Nov. 23, at Victory Memorial Hospital in Waukegan, from injuries received in an auto accident on Rt. 59 Nov. 18.

She was born Feb. 12, 1949 in Chicago and had lived in Schiller Park and Antioch before moving to Salem two years ago.

She was a member of Holy Name Church in Wilmet and had worked part-time for Illinois Bell Telephone Co.

Survivors include her husband, John; one son, Andrew and one daughter, Marcia; her parents, Mr. and Mrs. Marshall Sparesus of Schiller Park; one brother, Edward Sparesus of West Chicago; one sister, Sandra Sparesus of Schiller Park.

Funeral mass was said Monday at Holy Name Church, with burial in Holy Name Cemetery. Strang Funeral Home in Antioch was in charge of arrangements.

Sportsman' Corner

The trophy largemouth that hits the angler's lure next spring may be credited to a unique fisheries management technique the Illinois Department of Conservation has been using for nearly 20 years to limit the impact of winter fish kills.

The technique is "aeration," and it will be used in three northern Illinois lakes this year to maintain open water, increasing the chances of sport fish survival, according to James Allen, fisheries biologist. The conservation department plans to use aerators at Turner Lake, Johnson-Sauk Trail Lake and Argyle Lake.

"THE IDEA IS to keep the lake from freezing over completely," Allen explained, "maintaining some areas of open water so you won't have oxygen depletion which would result in a fish kill."

Winter fish kills may occur when a lake is frozen over for an extended period of time. If the ice is thick or covered by snow, the sunlight that normally reaches aquatic plants in the lake is cut off. As a result, the plants die and the process in which aquatic vegetation releases oxygen ceases.

The problem is further complicated by the fact that once the plants are dead, they begin using up available oxygen as they decay. The resulting oxygen depletion normally takes its toll, particularly among sport fish species.

"WINTERKILL AFFECTS sports species in general more drastically," Allen said. "It has less effect on certain non-game species such as bullhead."

Older and larger fish also succumb to oxygen depletion

more quickly than the younger specimens. For that reason the trophy lunkers that fishermen pursue all summer are usually among the first to die in a winter kill.

In severe winters such as Illinois experienced the past two years, winterkill can be a problem in lakes throughout the state. But it is a particular problem in northern Illinois where lakes are expected to freeze over the long periods even in normal winter seasons.

In determining which lakes will be aerated, Allen considered the location of the lake and its physical characteristics.

Shallow lakes in northern Illinois which have high levels of organic material are particularly susceptible to winter fish kills due to oxygen depletion, Allen said. Lakes matching that description get priority when it comes time to install aerators in state-managed lakes.

One type of aerator is floated on the surface of the lake and distributes warmer water (about 39 degrees) from the lake's bottom to impede the development of ice on the surface. A second type sits on the lake bottom and effervesces air bubbles which rise to the surface, bringing with them the ice-hindering warmer water.

Allen said persons should be wary about venturing onto the ice where aerators are in use.

"The ice may be perfectly sound near the shore," Allen explained, "but it will be thin near the open areas and people should stay well away from them."

Speedway plans April car show

The Waukegan Speedway will begin its 1979 racing season with a car show in April at Lakehurst Shopping Center.

The show will be held from Monday, Apr. 2, through Friday, Apr. 6.

Car owners wishing to enter should notify Mike Babicz (312) 689-3097 before Jan. 1.

THE SPEEDWAY will begin its second season on the quarter-mile clay surface with late model stock cars and hobby stocks on Saturday, Apr. 7. The gates will open for registration and practice at 4 p.m. with qualifying at 7 and racing at 8.

Sunday racing begins on Apr. 8 with a new starting time. Gates will open at 5 p.m. with qualifying at 6 and races at 7.

This should enable everyone to get home early before returning to work on Monday," Babicz said.

The 1979 Speedway pace car will be a Chevrolet Camaro.

Basketball league plays again Dec. 7

The new Antioch Men's Basketball League, composed of former area high school and junior college stars, is taking two weeks off after its first round of action.

The next games will be played Thursday, Dec. 7, at the south gym of Antioch High School.

HERE IS THE schedule for that night:

6:30 p.m. — Limerick Lounge (5-0) vs. BJ's Sports (1-4).

7:30 — The Wharf (1-4) vs. Century 21 (4-1).

8:30 — Maestrazi's (3-2) vs. State Bank (1-4).

LEADING SCORERS after the first round of play are Mike Perone of Limerick with 76 points in five games, Steve Pilcher of The Wharf with 61, and Mike Tylkowski of Limerick with 56.

John Janosko of Maestrazi's has 52 and three players are tied with 47 points: Steve Dobner and Steve Owens of Century 21 and Don Norwick of The Wharf.

DRAWING FOR **FREE TURKEY** ONCE A WEEK
GRAND DRAWING - DEC. 24

A little boy approached Santa Claus at a Church party. He had waited all year for this privilege. In his hand he carried a list of everything he wanted: a bicycle, a wagon, a chemistry set, a train, a football, a portable radio, a small television set, and roller skates. He read it off to Santa.

"That's a long list," said Santa. "I'll have to check to see if you were a good boy."

"Don't check, Santa, please don't check," cried the boy. "I'll be satisfied just to take the roller skates."
